The publications in indexed journals by faculty members were not mandatory and the publications were considered as only desirable qualifications till 22-07-2014, to get promotion. Later the publications were made mandatory from 23-07-2014 with publication credits given to First and Second Authors of publications in indexed journals. The publications are now continued as mandatory qualification and further modified from 5-6-2017, giving credits to First and Corresponding Authors till further guidelines from MCI.
